OFFICE of the ARCHBISHOP

August 28, 2021

Dear Brothers and Sisters in Christ,

The Black and Indian Mission Collection has changed the landscape of evangelization and education efforts for Native Americans, Alaskan Americans and African Americans throughout the United States. Your financial contribution to this fund assists clergy, religious and lay catechists, parishes, schools and catechetical centers for the evangelization of the Black and Native American peoples throughout our country.

As we embark on another year of evangelization in the Black Catholic, Native American and Alaskan Native communities, everyone is encouraged to make a difference by offering their prayers for the fruitful support of the missions in the United States and to consider expressing concretely their Christian solidarity through sacrificial offerings.

Your support impacts the daily pastoral work of our bishops, consecrated religious women and men, and lay-leadership who labor on Indian reservations, urban centers, Black Catholic and Alaskan Native parishes, mission schools and the many, many diocesan programs and projects that strengthen the work of the Gospel. Locally, through grants awarded from this collection, a number of parishes within the Archdiocese are able to fund pastoral outreach and evangelization programs. It is only through your continued generosity of this collection that such efforts are realized.

The Collection for the Black and Indian Missions will be held in parishes of the Archdiocese of Philadelphia on the weekend of **September 4 and 5**, 2021. I ask your continued prayers and generous financial support of this collection.

Sincerely in Christ,

A handwritten signature in dark ink, reading "Nelson J. Pérez".

THE MODERN WOMAN'S GUIDE TO THE BIBLE

**"I came that you might have life,
and have it abundantly."** John 10:10

If you had to describe life if the past year, abundant is probably not the word you would choose. Alone, weary, and coping is probably more like it. Why? Because we thrive in relationships. Our souls thirst for connection. We were made for community, and it's time to come back.

Walking with Purpose is more than a women's Bible study. It is a faith community that supports, encourages, and challenges one another. It is a safe place where you will discover authentic friendships and meaningful discussions as your heart is transformed by the Word of God. It is everything you need to get back to living a life that you love.

Are you ready to come back? God is ready and waiting for you to show up just as you are. He wants to see you discovering your purpose while connecting with a life-giving community.

And God is not the only one. We are, too. The abundant life awaits us, and we've got a open chair with your name on it.

Open House and Information Session will be held on **Wednesday, Sept. 15**, 6:30-8 p.m.

Young Women's Group begins **Wednesday, Sept. 22**. Women's Group begins **Thursday, Sept. 23**.

OFFICE of the ARCHBISHOP

August 2021

Dear Brother Priests and Deacons,

Last month I visited the Gianna Center of Philadelphia located in East Norriton (Montgomery County). I had the wonderful opportunity to tour the clinical facility and meet with staff and board members who are dedicated to providing pro-life, authentically Catholic reproductive health care to women in the Philadelphia region.

The Gianna Center of Philadelphia opened its doors at the Suburban Community Hospital (formerly Mercy Suburban) in April of 2019. The center provides general gynecologic care, natural family planning education, and infertility services that work cooperatively with a woman's body to restore her natural reproductive health. The staff does not prescribe contraceptives or utilize artificial reproductive techniques such as in vitro fertilization or intrauterine insemination.

The Gianna Center is truly an excellent resource for couples struggling with infertility and family planning challenges. It is also able to assist teenagers and their parents searching for more effective and moral treatments for their conditions such as premenstrual syndrome, cycle irregularities, and bleeding problems. Women who are at the end of their reproductive age struggling with conditions associated with menopause as well as women who have given birth and are experiencing postpartum depression can be treated effectively with the protocols of NaPro Technology.

In addition, the Gianna Center of Philadelphia provides life-affirming resources such as free health care and ultrasounds to women in need. The Center serves women in English and Spanish. However, at this point, they are not able to provide prenatal care.

We are blessed to have the Gianna Center here in the Philadelphia region. I wholeheartedly support their mission and encourage you to promote awareness about their presence within the Archdiocese of Philadelphia to members of your community.

Fraternally yours in Christ,

Most Reverend Nelson J. Pérez, D.D.
Archbishop of Philadelphia
